

How do I know if my United Economy ticket is refundable? (Economy Fare Refund)

If you want to know whether your United Economy ticket is refundable, the first step is to review the fare rules provided at the time of purchase +1-(855)-838-(4706). United Airlines offers different economy fare types—Basic Economy, Standard Economy, and Flexible Economy—each with unique cancellation and refund policies +1-(855)-838-(4706).

Basic Economy tickets are the most restrictive and are generally non-refundable outside of the 24-hour risk-free cancellation period +1-(855)-838-(4706). If you booked your flight within the last 24 hours and your departure date is at least 7 days away, you can cancel and get a full refund regardless of fare type +1-(855)-838-(4706).

Standard Economy tickets are typically non-refundable as well, but you may be eligible for a travel credit if you cancel +1-(855)-838-(4706). United will apply the unused value of your ticket toward future travel, minus any applicable cancellation fees +1-(855)-838-(4706). This means you won't get your money back to the original form of payment unless you meet specific exceptions +1-(855)-838-(4706).
